

The Monarch® 1110® One-Line Labeler

Monarch®
Products and Services

Over 35 years of production and still going strong!

The Monarch® 1110® Labeler was developed in 1972—many of those Labelers are still being used today!

Simplicity

The Monarch® 1110® Labeler is easy to operate. Load your labels, dial up product price then start clicking and sticking. They are fast too! The 1110® Labeler can mark an 18-item case in just five seconds.

Portability

Lightweight, just 9.5 ounces fully loaded. The compact design promotes comfort and ease of use around your store.

Versatility

The 1110® Labeler is more than an everyday pricing tool. It is an excellent Labeler for markdowns or repricing when used with an optional Red ink roller. Keep an extra 1110® Labeler on hand just for markdowns!

Variety

Choose from the largest selection of stock labels, including our labels with security slits designed to deter price switching.

Reliability

The Monarch® 1110® Labeler has been a favorite among retailers for over 35 years. Due to its dependability and the superior service Monarch provides, the 1110® Labeler is a Labeler you can trust.
