The ink rollers are equally as easy to change. The snap-in/pop-out design alleviates messy ink—no clean up needed, no ink on you or your merchandise.

Easy to use

The Monarch® 1130® & 1131® Labelers are lightweight and fit comfortably in your hand. Easy-to-use. Simply dial the characters you wish to print, then click and stick the label to your product.

Efficient

Monarch® Labelers print clear concise characters that are crisp and easy-to-read by both your customers and sales associates.

Labels are protected within the Labeler by a protective cover that features a viewing window to manage label usage.

Dependable

Because the Monarch® 1130® & 1131® Labelers have fewer moving parts you can depend on them to be there when you need them. We haven't just made the parts better, the ABS plastic used in our Labelers is super durable. Tested and shown to withstand multiple impacts from being dropped to the floor.
